Toledo, O., Aug. 5.—Hal Mahone won the sweepstakes for 2.05 pacers after losing the first heat to John Henry, while Great Britton won the Toledo Times 2.14 trot for three year olds, the features on today's Grand Circuit racing card at the Fort Miami track. The track was fast, the weather ideal and a large crowd turned out to see the sport.

Airon McKinney won the first race of the season on the Grand Circuit when he took the 2.12 trot.

Louis Grattan won over the favorite, Goldie Todd, in the 2.03 pace in straight heats.

Great Britton equalled the mark made by Day Star at Kalamazoo and now is tied for the fastest mile for three year olds this year, when he stepped both heats of the 2.14 trot in 2.07 1-1.

# BEATS GASOLINE AT 15 CENTS A GALLON

New Invention Makes Fords Run 34 Miles On Gallon of Gasoline. Other Cars Show Proportionate Savings.

A new carburetor which cuts down the gasoline consumption of any motor, including the Ford, and reduces gasoline bills from one-third to one-half is the proud achievement of the Air Friction Carburetor Co., 252 Madison St., Dayton, Ohio. This remarkable invention not only increases the power of all motors from 30 to 50 per cent., but enables everyone to run slow on high gear. With it you can use the very cheapest grade of gasoline or half gasoline and half kerosene and still get more power and more mileage than you now get from the highest test gasoline. Many Ford owners say they now get as high as 45 or 50 miles to a gallon of gasoline. So sure are the manufacturers of the immense saving their new carburetor will make that they offer to send it on 30 days' trial to every car owner. As it can be put on or taken off in a few minutes by anyone, all roaders who want to try it should send their name, address and make of car to the manufacturers at once. They also want local agents to whom they offer exceptionally large profits. Write them today -Advertisement.

spirit and traditions of the game will be preserved, it was announced here taken Changes made in the vules affect th stymic, the lost ball penants, amateur an professional definitions, the standardize professional definitions, the standardized ball, and other minor details. All of these changes take effect Sept 1 of this year, with the exception of the standard ball ruling, which will go into effect in May, 1921. The new rules is brief form we as Iollows:

Professional definition: "One who after attaining the age of 16 years has carried clubs for hire, received any consideration either directly or indirectly, for playing or for teaching the game, or for playing in a match or tournament, or for a money

prize in any tournament."

An amateur is one who has not done any of the things above mentioned defining a professional, and violations of the amateur rule include: Lending one's name or likeness for the advertisement or sale of anything except as a dealer, manufac-turer or inventor thereof in the usual course of business, or permitting one's name to be advertised or published for

thor.

In future there will be the same penalty for lost ball, puplayable ball, and out of bounds; in other words, the player must go back to where he played from and lose stroke and distance, and a provisional ball may be played to save time, in each case.

n each case. The stymic definition states that a sty-mic is laid when both balls are on the putting green and the opponent's ball lies in any position which the player regards as interfering with his line to the hole, provided the balls be not within six inches of each other. The rule then pro-vides that "if the opponent lay the player a stymic, the player may remove the op-ponent's ball; the opponent shall then be deemed to have holed in his next stroke." If the golfer playing within the boundaries of the putting green lays himself a stymic the rule does not apply. The rule regarding the standardized ball requires that the weight of the ball shall be not greater than 1.62 ounces and the size not less than 1.62 inches in diam-

M'DERMOTT'S BRAVES TO PLAY WASHINGTON ALL STARS

"The biggest game in all Connectimi." It is with these words that Manager Thomas McDermott refers to the ball-tossing contest that he has arranged for next Sunday afternoon when his team of Grosvenordale Braves will meet the Washington All Stars from Washington D. C. The game will be olived on the North Grosvenordale grounds at 3.30, daylight saving time, and according to Manager Tom the fans who journey up the river will see a game the equal of

which has never been staged a Win-Ilian county. The Braves realize that they have a real tussic ahead of them, and acstrengthened his lineup in several spots, dales, will twirl a brand of ball that will he has a new right fielder, who comes make the fans sit up and take notice. As with the reputation of being the fastest for the All Stars, they too are a fast amsteur in New England. At firs, base bunch. In their present four of New will be another stranger who has a big name as a first sacker. Manager Tom won't divulge the name of his new find, but premises the supprises the supprise of his new find, but premises the supprise of his new find his Manager McDermott has romises the surprise of top season, ager, and so on Sunday, when the two astly, there will be a new box artist teams face each other, things should hapfor the Braves. The new utener, says pen that will contribute a chapter or two the energetic manager of the Grosvenor- to local baseball history.

## Ride Farther on Goodyear Tires in Your Small Car

It is tire performance, not price, that decides what you really pay; hence, do not experiment with tires made to sell at sensationally low prices.

You can secure in Goodyear Tires, of the 30 x 3-, 30 x  $3\frac{1}{2}$  and 31 x 4-inch sizes, a high relative value not exceeded even in the famous Goodyear Cord lires on the world's finest automobiles.

Goodyear experience and care are applied to their manufacture in the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires; take advantage of the opportunity to get true Goodyear mileage and economy.
